April 2011

“Servanthood”

Dear Parents,

April is here and it is time to reflect on the Easter season. This marks the very purpose and the heart of every Christian's faith. God gave His Son as a perfect sacrifice. We are forgiven and redeemed. Our students will be learning about the events that led to the crucifixion. On Good Friday we will celebrate the true meaning of Jesus' death, burial, and resurrection! We have so much to be grateful for, and no matter what, we have a hope and a future that is so spectacular, so dazzling, that we can barely soak it in!

We are getting close to the end of the year. Let's remind our kids to work hard, finish strong, and be thankful for all things.

Mr. Rick Lenger
