Dear Parents,

Thank you for your inquiry regarding Los Altos Grace Preschool. With the importance that is being attached to the early childhood years today, you will want to know as much as possible about our purpose and curriculum before enrolling your child.

As a part of the ministry of the Los Altos Grace Church, we teach God's love as revealed through Jesus Christ. For the children this means not only teaching them that God loves them, but that they, in turn, are expected to love others. We talk of God's world, and offer a blessing before eating. Once a week, a chapel service just for preschoolers is held in the church auditorium.

The program of the Los Altos Grace Preschool has grown from a sincere love for children and a desire to help in the proper development and adjustment in our modern world. It is designed to provide an educational experience in a warm and loving atmosphere for children three through five years of age. Recognizing the importance of balanced growth, our staff provides an abundance of opportunities for social, intellectual, physical, emotional and spiritual development of each child. This preschool program has proven to be a service to the families and children of the community for many years, and we now see alumni bringing their children to be part of our family!

If you are interested in enrolling your child, please fill out both sides of the application and return it to us with the registration fee attached. This will secure your child's place in our school.

Thank you for considering our school.
