

WHAT IS SCRIP?

Do you:

- Go grocery shopping?
- Like to eat out?
- Put gas in your car?
- Like to do home improvements?
- Ever need to replace a major appliance?
- Ever need a new T.V. or other piece of electronic equipment?
- Need a last-minute gift but have no time to shop?

If you answered "yes" to any of these questions, then scrip is for YOU!

Plain and simple:

Scrip are gift cards you purchase for places you shop every day and our school benefits. Each card earns Los Altos between 1.5 to 25% depending on which merchant. It's that easy!

For example: You go to Sprouts and buy \$100.00 worth of groceries using scrip - you just earned \$5.00 for our school.

On the way home you pick up Dominos pizza and spend \$20.00 using scrip - you just earned another \$1.60 for our school.

How to order: At the end of each week order forms are sent home with your student. You fill it out and return in in the envelope provided along with your payment. The orders are collected and filled (if the item is in stock) on the first day of the week. They're then sent home with your student the next day. If your order is out of stock, a special order will be placed. It typically arrives, is filled, and is sent home with your student by the end of the week.

If you prefer to do things digitally, download the RaiseRight app on your mobile phone or at www.RaiseRight.com. Enter enrollment code **83C1174F9744** to connect your account to Los Altos. You can shop straight from your phone and each time will benefit the school. There are many digital options for gift cards or you can have the physical cards shipped directly to your home (shipping fees apply). You can also come to the school office, place an order and if in stock, receive it at that time.

If you have any questions about our SCRIP program please contact Nancy Esquivel at nancysanchez4@yahoo.com.
